Dear NOW Member:

Subject: Joanne Tosti-Vasey, Democratic Candidate for Pennsylvania State Assembly

The Pennsylvania NOW PAC is pleased to announce our endorsement of Democrat Joanne Tosti-Vasey, President of Pennsylvania NOW, for the Pennsylvania State General Assembly's 171<sup>st</sup> House District. Because the decisions of the Pennsylvania State Assembly are so critical to women's rights and equality in Pennsylvania and with so many of our rights at risk, the Pennsylvania NOW Political Action Committee voted to endorse Democratic candidate Joanne Tosti-Vasey for the Pennsylvania General Assembly.

On April 22, feminist voters have the tremendous opportunity to send one of our own to the Pennsylvania State Assembly. Joanne is a committed feminist who is dedicated to full equality for all women. If elected, she will work hard to advance the issues we care about, including; a woman's right to choose, health care for all Pennsylvanians; improved economic conditions and education, and election protection - ensuring the every vote is counted in Pennsylvania elections.

As a NOW activist for more than two decades, Joanne has provided critical leadership on a wide range of women's rights issues. She has advocated for the rights of disabled women, serving as the National NOW Disability Rights ad hoc committee, worked hard to ensure women's equal rights at work, and has dedicated herself to the protection of a woman's right to choose. Joanne is fully supportive of equal rights for lesbian, gay, and transgender people—including civil marriages and economic justice for all. If elected, Joanne will be a staunch advocate and leader for eliminating racism and all violence against women.

I hope you will join me in supporting Joanne Tosti-Vasey by volunteering and making a contribution to her campaign today.
