Dear Joanne,

It is a pleasure to inform you that the Board of Directors of the Pennsylvania Women's Campaign Fund (PWCF) has voted to endorse your candidacy for the State House and to make the enclosed contribution of \$500.00 to your campaign.

The Pennsylvania Women's Campaign Fund is the only organization in Pennsylvania whose sole purpose is to support progressive women candidates of both parties for the state legislature. Since 1982, PWCF has focused on raising money and training candidates who demonstrate a commitment to:

- A progressive stance on issues involving comprehensive family planning and reproductive health services and
- Establishing parity between women and men in education, training, and employment.
-

We wish you success in the April 22nd Primary.

PWCF's website can be found at www.pwcf.com. We plan to list all PWCF endorsed candidates. We would like to mount your picture on the site, if this is acceptable to you, please email a picture to our Communications Chair, Jennifer Gronwaldt at JennGronwaldt@comcast.net. If you have a website, please let us know the address so we can link our site with yours and encourage visitors to the site to support our candidates.

Congratulations and good luck.

Sincerely,

Martha L. Harris
President
